**RapidSHIP Terms & Conditions**

All orders must be clearly marked "RapidSHIP". Orders not marked will not qualify for RapidSHIP processing.

Individual products are estimated to ship 10 business days or less from the morning a clean order is received and confirmed.

Continuous linear rows are estimated to ship 10 business days or less from the day the order is confirmed and layout drawings are approved.

Orders confirmed and layouts approved after 12:00 p.m. Eastern Time are estimated to ship 10 days or less from the following business morning.

A maximum of 50 units of individual products of the same catalog number are allowed. The maximum quantity of continuous linear product of the same catalog number is 400'.

RapidSHIP processing is available for the products and options listed in this guide. Orders submitted for products or options not shown in this guide will not be accepted. Continuous linear rows must be straight. Please contact factory or [www.dayolite.com](http://www.dayolite.com) for products not included in the RapidSHIP program.

Orders received after 3:00 p.m. Eastern Time, or on weekends or holidays will be processed the next business day. Standard shipping terms apply. Freight allowed for all orders over \$5,000. Orders subject to credit approval.

Changes or cancellations may not be made after the order has been acknowledged and released to factory.

Day-O-Lite is not responsible for elements outside its control, i.e., inclement weather, third party shipping issues or industry wide component shortages.

Contact Day-O-Lite at (401) 467-8232 for details.

Visit [www.dayolite.com](http://www.dayolite.com) for additional information on RapidSHIP eligible products, as well as Day-O-Lite's complete offering of LED and fluorescent luminaires.
