

Program Outline

RapidSHIP products are estimated to ship 10 business days or less from the morning the order is received and confirmed. Linear rows will ship 10 business days or less from the day the layout drawings are approved. Orders confirmed and layouts approved after 12:00 p.m. Eastern Time are estimated to ship 10 days or less from the following business morning. All incoming orders must be clearly marked "RapidSHIP". Orders not marked so will not qualify for RapidSHIP processing. Please refer to complete program Terms & Conditions (page 4) for details and restrictions.

Applicable Products

The products and options shown below and on the following page qualify for the Day-O-Lite RapidSHIP program. Simply configure a catalog number using any of the options below and your order will qualify for RapidSHIP processing. Please refer to the individual product specification sheets at www.dayolite.com for further details about each product.

The Profile 24 and 44 architectural linear product lines shown below are DLC listed in any almost any configuration. Specify as a Direct or Direct/Indirect suspended or wall mount system in any optic, color temperature, length, mounting or finish option. 0-10V dimming and EPC emergency battery pack options also qualify. Visit www.dayolite.com for individual specification sheets that detail specific DLC lumen packages.

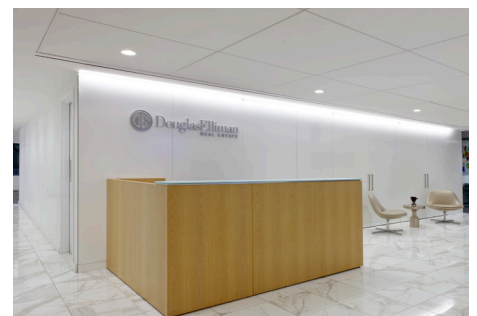

Profile 24 Linear

Profile 44 Linear

WPPL-2 Regressed Perimeter

| PRFL-44 | LUMENS | LPW |
|---------|---------|-----|
| LO | 600/ft | 120 |
| SO | 800/ft | 114 |
| HO | 1000/ft | 111 |

Dimensions shown are for fixtures mounted in Grid, Mini-Grid or Slot Grid ceilings. Individual fixtures and rows are continuously illuminated and joined with included aligner brackets and hardware.

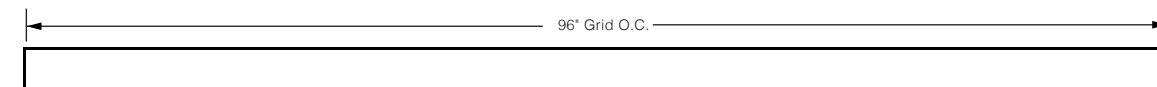

WPPL-2 Grid Ceiling Mounting Options

| NOMINAL LENGTH | SECTIONS | GRID O.C. LENGTH |
|----------------|--------------|------------------|
| 4' | 4' | 48" |
| 8' | 8' | 96" |
| 12' | 8' + 4' | 144" |
| 16' | 8' + 8' | 192" |
| 20' | 8' + 8' + 4' | 240" |

| WPPL-2 | LUMENS | LPW |
|--------|--------|-----|
| LO | 390/ft | 78 |
| SO | 520/ft | 74 |
| HO | 650/ft | 70 |

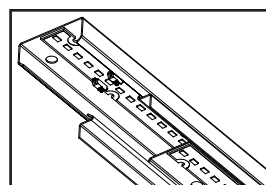

Dimensions shown are for fixtures mounted in Grid, Mini-Grid or Slot Grid ceilings. Individual fixtures and rows are continuously illuminated and joined with included aligner brackets and hardware.

Adjustable LED Tray & Housing

WPPL-2 is field adjustable to create precise, fully illuminated wall-to-wall illumination. The housing is installed first and adjusts up to 10" in length without cutting. A unique "over-under" LED/driver tray (shown) is then fitted inside and expands to fit the housing.

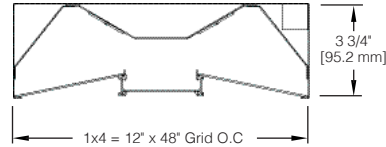

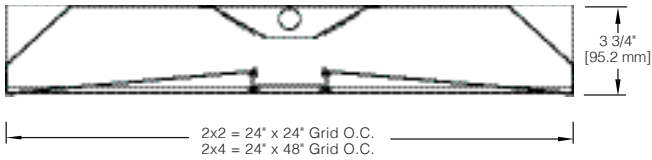

Harmony Recessed Lensed Troffers

RapidSHIP Terms & Conditions

All orders must be clearly marked "RapidSHIP". Orders not marked will not qualify for RapidSHIP processing.

All orders must ship to a single location. Drop shipments to multiple locations not allowed.

Individual products are estimated to ship 10 business days or less from the morning a clean order is received and confirmed.

Continuous linear rows are estimated to ship 10 business days or less from the day the order is confirmed and layout drawings are approved.

Products specified with Lutron drivers options may not be available within 10 days. Consult factory directly for Lutron option lead times.

Orders confirmed and layouts approved after 12:00 p.m. Eastern Time are estimated to ship 10 days or less from the following business morning.

A maximum of 50 units of individual products of the same catalog number are allowed. The maximum quantity of continuous linear product of the same catalog number is 400'. Continuous linear rows must be straight runs.

RapidSHIP processing is available for the products and options listed in this guide only. Please contact the factory or www.dayolite.com for information on Day-O-Lite's complete line of architectural luminaires.

Orders received after 3:00 p.m. Eastern Time, or on weekends or holidays will be processed the next business day. Standard shipping terms apply. Freight allowed for all orders over \$5,000. Orders subject to credit approval.

Changes or cancellations may not be made after the order has been acknowledged and released to factory.

Day-O-Lite is not responsible for elements outside its control, i.e., inclement weather, third party shipping issues or industry wide component shortages.

Visit www.dayolite.com or contact Day-O-Lite at (401) 467-8232 for additional information on RapidSHIP eligible products, as well as Day-O-Lite's complete offering of LED and fluorescent luminaires.

Terms & Conditions subject to change at the discretion of Day-O-Lite.
